Discharge

4. Discharge badge is available for an applicable provider type linked to the condition.

Once the Patient has had 16 consults, the Acc45 claim is eligible for a review.

1. Under the **Claim reviews**, click **Start**.
2. Scroll down to the Review form.
3. Fill out the details or select **Copy from ACC45** where applicable.
4. Select **Save & create PDF**.

In the **Correspondence** tab of the patient tree, the claim review will show as outgoing correspondence.
