

# Notification of MBS & Health fund Update

Affecting all Australian Bp VIP.net clients.

**This is an important update from Best Practice Software.** This is not marketing material and has been sent to you as a software administrator for your communication within your practice.

See [Update or import MBS items](#) for instructions on importing and updating fee schedules in Bp VIP.net via the **Live Update** utility.

## Updated 7 March 2024

Make sure you have imported any new items before updating MBS Fees and before you run a Health Fund update.

To see all the latest news for MBS Online, see the [Department of Health and Aged Care website](#).

See all supported Health funds, work compensation, and Medicare/DVA schemes in the following table. Click on the name of the organisation to see more information about the fee schedule.
