

# General Practice in Aged Care Incentives Registration

The **General Practice in Aged Care Incentive** replaces the existing **Aged Care Access Incentive** from 1 July 2024.

Practices need to be registered in the Organisation Register, providers need to be linked to their MyMedicare-registered practice.

## Summary of actions

Action	Location
Identify eligible patients	Bp Premier or data analysis
Identify Responsible Providers	Bp Premier or data analysis
Ensure your providers are linked to your practice*	HPOS > Org Register > Site Record
For the practice:	
Add bank details	Site Record
(Wait 24 hours) Add GPACI Program	Site Record
For the patient:	
Indicate GPACI participation	HPOS > MyMedicare > Patient List
Link to Responsible Provider	Patient List

## Register your practice

1. Select your Organisation Register
2. Select the **Associated sites** tab
3. Enter the **ID** number for the practice
4. Program Registration > MyMedicare GPACI.

## Register for GPACI

- Log in to PRODA to access your HPOS account.
- Register for MyMedicare.
- Add practice bank account details.
- ADD GPACI registration.
- Add the Incentive indicator and link the Responsible Provider to your patient's MyMedicare profile

## Add or update banking

1. Register for MyMedicare
2. Select the **Action** column > **Details**
3. Select Banking details
4. **Add**
5. Wait 24 hours before GPACI is selectable in the next step.
